TAG, as short for Post-Abstract Grotesque, is a quirky, goofy and delightfully folksy typeface. Many people simply refer to this as the Pog, or Pog. It's a typeface created by Ryoichi Tsunekawa, who was inspired by the posters on streetcorners from his childhood. PAG Revolucion Download - PAG Revolucion Regular Commercial Font Now you can own this font for a fraction of the price at Fontfabric.com. Get the FREE font today!! Fontfabric.com now offers the classic font with much improved support. I love this font. It's a great reason to not have to deal with the misspelled words that plague me. They're hard to fix (tho I can generally figure out the right spelling for a word), and even when you fix them it's still a pain in the neck to manually fix a word by hand in almost all cases. PAG Revolucion is more forgiving to some misspellings, and keeps its useful level of readability. A Pag Revolucion is something I feel is great for a poster. It's perfect for jazz hands and for when the player's knees buckle. I'm excited to use it. Get it [HERE](#), a FONTSdT.
