England will arrive in Rio as the pre-tournament favourites on the back of a 2-1 win over hosts Brazil in the semifinals of the Copa America tournament, and a 4-0 friendly win against USA last month. The last time the two countries played each other at the Olympics was in Los Angeles in 1984 when the USA won 4-0, but the Big Apple also hosted the Games in 1980. The first official match between the two countries will be on Aug. 3. The U.S. was originally scheduled to play Slovakia in the group stage, but a group draw on Friday removed the Slovaks from the equation after they failed to show up to a qualifying match against Macedonia. After months of failed qualifying attempts, the Americans were finally drawn into Group A with England, Switzerland and Venezuela. England hosts the Olympic Games
